

Anwaltskanzlei
VARGA

Gesellschaftsrecht • Wirtschaftsrecht • Arbeitsrecht

Your partner in commercial,
corporate, labor and international
legal matters

About us

We are nationally and internationally active, commercial and economic oriented German law office. Our widespread knowledge of business procedures and the specialization of our consultation, flexibility, internationality and multilingualism ensure practice-oriented and prompt implementation of high quality solutions for your needs.

Our focus

We support you during company acquisitions, company law disputes, commercial law challenges, labour law issues or with other challenges of business and economic life. Our legal consultation is focused on business, commercial and labor matters, especially on the following fields of law:

- (international) corporate law
- (international) trade law
- (international) foreclosure
- competition law
- commercial & business law
- commercial & business criminal law
- compliance & risk management
- labor law

International

Together with our partners outside of Germany, particularly in Slovakia, Czech Republic and Austria as well as thanks to our own knowledge of these legal systems, we can assist you in cross-border and international transactions, affairs and matters.

Your benefits

Specialization

- the special focus on international business matters allows us success-oriented consultation tailored to your needs

Efficient precision work and transparent fees

- cost transparency and cost effectiveness of our consultation brings you free space for your further business activity

Multilingual

- communication in English, German, Czech and Slovak as well as the additional cooperation with interpreters and translators complete our portfolio
